Servant Hearted Sisterhood

FEATURING CHRISTIAN SMALL BUSINESSES

ABOUT

Servant Hearted Sisterhood - the Creator of this Guide!

Servant Hearted Sisterhood started out as just a Facebook Group (29.4k) in June of 2021, then I created a Facebook page (350k), and eventually an Instagram page (6.8k). It didn't really take off until about 2022-2023 and has grown substantially -- ALL because of GOD! AND it's still growing and reaching thousands, millions even. SHS is my ministry to encourage others, creating an open space for women to connect, grow their relationship with God, and challenge one another to dig deeper. All while being servant-hearted, shining the light of Christ, and sharing the Gospel! I'm an author and writer, entrepreneur/small biz owner, wife, and artist. I work full-time as a virtual assistant and social media manager (5+ years now) so I do SHS pretty much in between/in my free time. I absolutely LOVE it.
